

NEW LIFE ON A FARM

This is MR .Rao's farm. Its winter time . Ever one is excited about coldest season of the year. As they have a lot of things to share with each other.

so here they are :

farmer: I am so excited ! Winter is really great. There will be so many changes and lot of things to happen. I can hardly wait.

PIG Hey! These are my piglets and they are eight.

PIGLETS We are always hungry and we cannot wait till we get the next yummy snack.

FARMER I feel so great to be a farmer as it's so wonderful to meet the special friends, our new arrivals in the farm.

HEN: You know something ! I could hatch only a few chicks, this season .

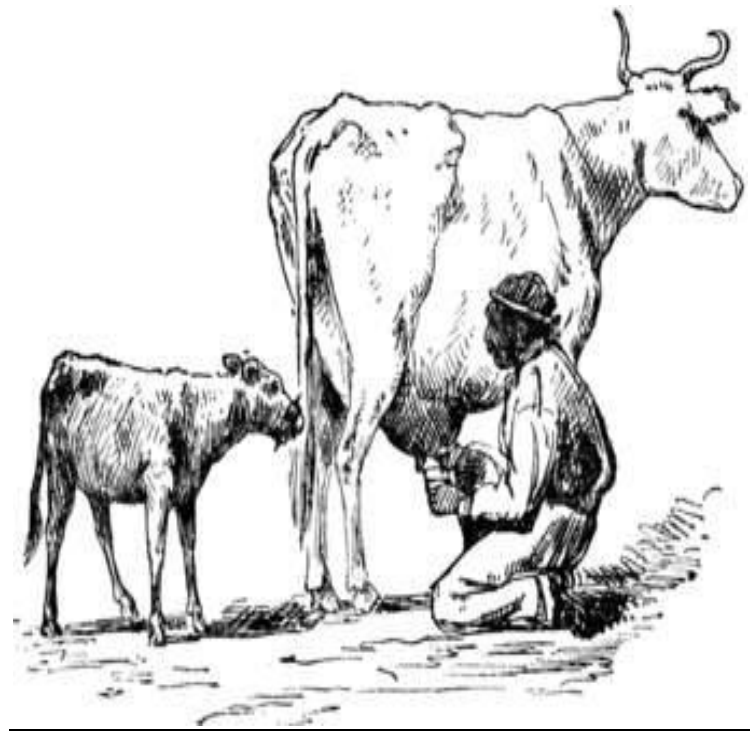

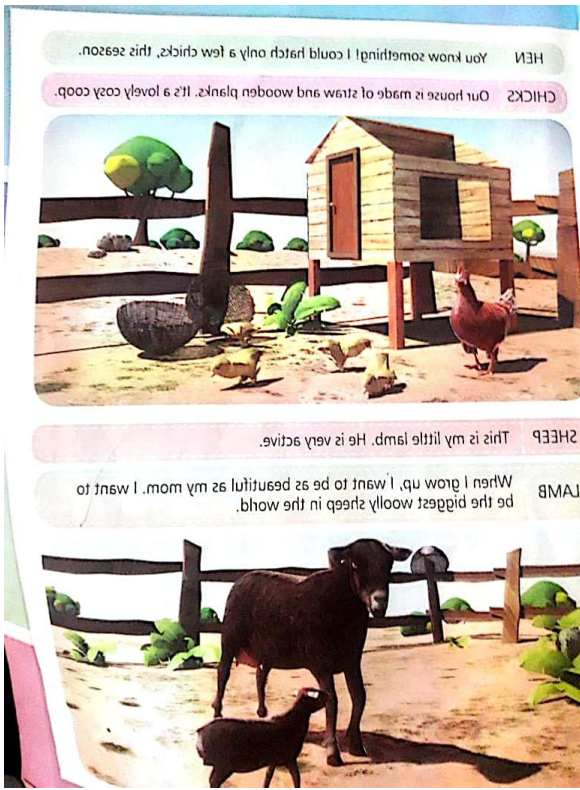

CHICK: Our house is made of straw and wooden planks. It is very lovely cosy coop.

SHEEP: This is my little lamb. He is every active.

LAMB: When i grow up. I want to be as beautiful as my mom. I want to be the biggest wooly sheep in the world.

CAT: Hi, I just had six kitten, some are black and some are white.

COW: Look at my cute baby. This is my little calf.

KITTEN AND CALF: Hey! We shall have loads of fun when we play together.

DUCK: These are my ducklings.

DUCKLINGS: All we do is quack -quack all the time.

PIG: Hey! These are my piglets and they are eight.

PIGLETS: We are always hungry and we cannot wait till we get the next yummy snack.

FARMER: I feel so great to be former as it is so wonderful to meet the special friends ,our new arrivals in the form. Rani 's uncle gave her a pet as gift on her birthday.
